Sir,

I have the honor to forward, for submission to the Dewan, a letter* from the Comptroller in reference to the pay to be drawn by me while officiating as Senior Surgeon Mysore Force, and to say that I am scarcely satisfied that with the decision arrived at, both because it gives me less than I think I should receive, and because it is founded on a different view of the case than appears to me.

That it is quite in accordance with the regulations quoted, I do not dispute, but these regulations scarcely apply where as in Mysore, the

Medical Salaries for local purposes are actually Consolidated, and are only supposed to be made up of staff salaries for purposes Connected with payment for pension, leave &c Anything beyond the pay of rank is a local allowance and not a staff salary. Therefore the rules are scarcely applicable - And if, by special Concession, an Officer on leave is allowed to draw one half of his local allowances, I think it should not detrimentally affect his successor, especially where as in my case, by practically amalgamating the two Appointments, the work is very much increased.

Also the Comptroller thinks, in an event when he says I may be entitled to draw some allowances for the time I was in Administrative Charge of the Cadet Unit, in addition to my other duties.

As I did not vacate the Unit and it is my own Appointment, I presume I continue to draw my usual Salary, and the only question is how much of the Salary of the superior Appointment I am to draw besides for the time I did the full duties of both.

I submit that I should receive (in addition to my own pay) at the usual rate of 20 per cent upon the full salary from 22nd to 31st March, and that afterwards I being the same rank as the Lt Col incumbent, should receive the full rate of the salary of the Appointment.

Acting Senior Surgeon.

Sir,

With reference to the orders of the Mysore Government appointing you to act as Senior Surgeon, I have the honor to inform you that the pay of that appointment being equivalent to a consolidated salary of Rupees 1,500/ and your own a consolidated salary of Rupees 1,300/ your acting allowance should be calculated under Section 22 and 23 of the Pay and Acting Allowance Code as follows, from the 22nd March, the day you took charge of the office.

Substantive Military Pay.	1,093-2-0
Half staff salary of Senior Surgeon Houston	203-7-0
Half your own staff salary	103-7-0
	1,400-0-0

In addition to the above you will be entitled to a free house or house rent. Under the conditions on which your local allowance was sanctioned in orders of 1st August you will not be entitled to any additional allowance for the Medical charge of the Central Jail.

During the few days you continued

to hold charge of the Central Jail in addition to the duties of Senior Surgeon you are eligible for a special allowance which will need the sanction of the Mysore Government. In a similar case Rs 250 per mensem were allowed to Dr. Benson Residency Surgeon for medical and administrative charge
